

Pouch Backing

STEP 1: Cut around finished punchneedle, leaving approximately 1 inch of weavers cloth.

STEP 2: Place punchneedle on backing fabric and cut to the same size.

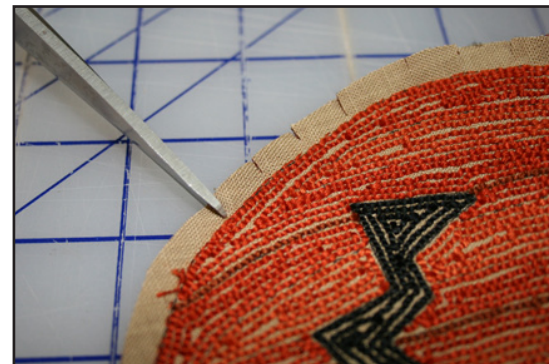

STEP 3: Pin together to hold in place.

STEP 4: With thread that matches the punchneedle, hand stitch a running stitch around the outer edge, leaving the top open.

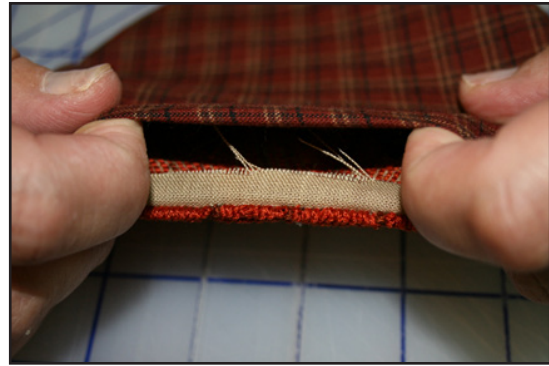

STEP 5: Trim off excess fabric. Leaving 1/4 inch edge.

STEP 6: Clip curve.

STEP 7: Turn right side out.

STEP 8: Fold and glue top edge inward.

STEP 9: Attached a hanging wire, twisting each end through the punchneedle then around itself.

STEP 10: Fill bottom and sides with a small amount of fiber fill.

STEP 11: Place a small piece of floral foam inside.

STEP 12: Fill with your favorite seasonal stems.
